FREE EUROPEAN MONEY

MEDIA, the European Union's support programme for the film, television and new media industries is represented in the UK by three offices: MEDIA Desk UK (London), MEDIA Antenna Scotland (Glasgow) and MEDIA Antenna Wales (Cardiff).

The MEDIA Programme (often referred to as MEDIA) currently comprises 17 different funding schemes, each targeting a different area of the audiovisual sector. The programme operates in seven-year funding rounds and has existed since 1991. The current programme, MEDIA 2007, commenced on 1 January 2007 and will run to 31 December 2013. It has a budget of €755 million to support training, project development, and the distribution and promotion of European audiovisual works.

The MEDIA Programme offers many different funding schemes, each targeting different areas of the audiovisual sector: development, production, distribution, sales agents, organisers of training courses, operators in new digital technologies, operators of VoD platforms, exhibitors and organisers of festivals, markets and promotional events.

Interesting and exciting times lie ahead in European financing - come and hear all about it!

Please note our new booking policy - until payment is received, reservations are not confirmed. If you are paying by BACS transfer, please still advise us of your booking by email.
